WE'RE PASSIONATE ABOUT YOUR SMILE Dr. Don Jayne and his team of dental care experts place your needs first. Each visit begins with a conversation about you, your health and your smile. Together, we create a comprehensive plan for your care and Dr. Jayne applies his 30 years of artistry and experience to create a beautiful, natural smile just for you.

TRUSTED, PRECISION COSMETIC & RESTORATIVE ARTISTRY Our smile enhancement services might just change your life. From state-of-the-art dental implants, to the finest porcelain veneers, to in-office whitening, we offer the highest quality dental services to improve the function and appearance of your smile.

ADVANCED APPROACH Respected as a dental educator, Dr. Jayne continually observes, audits and invests in technologies that improve oral health, smile appearance and patient comfort.

BEST OF BOTH WORLDS Dr. Jayne brings advanced training in cosmetic and implant dentistry, while adhering to a long-

standing practice of general dentistry, delivering comprehensive care to keep your mouth healthy and well.

COST-EFFECTIVE CARE Recent advancements in technology make dental implants and porcelain veneers more attainable than you might think. Let our care team show you how to get the most from this rewarding investment.

EASY TO FIND & FREE PARKING Our practice is located in downtown Seattle at 4th and Seneca. We offer complimentary garage parking validation for our patients.

REFERRALS ARE OUR ULTIMATE ENDORSEMENTS Creating a great patient experience is our purpose, and well-cared for, smiling patients refer friends and family to us. Our ultimate reward is helping our patient friends have healthy, beautiful smiles for life.

New patients are welcome. We hope to see your smile soon.
